

Library Week 2 Checklist:

- Submit the Google Form from Week 1 to let Ms. Acree know your topic.
- Start a KW chart or mind map to brainstorm information about your topic. (This can be on your own paper if you don't want to print things!!)
- Use the Step 1.5 file from Teams to come up with guiding questions for your research. (This can be on your own paper if you don't want to print things!!)
- Look over the Step 2 file from Teams to make sure you understand what our goals are for this project.
- Keep any pieces of paper for this project together.
- Go to the Teams meeting if you have any questions.
