

Library Week 2 Checklist:

- Submit the Google Form from Week 1 to let Ms. Acree know your topic.
- Start a KW chart or mind map to brainstorm information about your topic. (This can be on your own paper if you don't want to print things!!)
- Use the Step 1.5 file from The Library Website or Teams to come up with guiding questions for your research. (THIS can be on your own paper if you don't want to print things!!)
- Look over the Step 2 file from The Library Website or Teams to make sure you understand what our goals are for this project.
- Keep any pieces of paper for this project together.
- Go to the Teams meeting if you have any questions.
