

Step 2 - Research Goals

Required number of resources:

- 2

Required number of Notefacts:

- 10

Required resource types:

- Encyclopedia

Required number of Glossary Words:

- 4

Remember:

- Resources are WHERE you find your information (Wikipedia is not a school approved resource, and Google is not a resource at all!)
- Notefacts are short pieces of information (think answers to the questions you came up with)
- An Encyclopedia is a reference book that has information on a variety of topics (think Britannica and World Book)
- Glossary Words are words that you are defining for your audience
